Our Worshipful Master, Worshipful Dominick Tesoriere was discharged from Halifax Health Medical Center and is currently a patient at Good Samaritan Rehabilitation Center, Segrave Avenue, Daytona Beach recovering from a bout with pneumonia and difficulty breathing. Please keep him in your thoughts and prayers wishing him a speedy recovery.

**From the West**

Brethren, Greetings from the West.

As summer approaches and we prepare to go dim for the month of July and August. I wanted to pass on a quote I came across.

*“The purpose of Freemasonry is the same as it has been since the day when the stones for King Solomon’s Temple were hewn, squared and numbered in the quarries where they were raised. It is to take an individual-just one good man and make a better man out of him.” Author unknown.*

Since joining this lodge I truly feel that this has happened to me and I’m a better man for it. Having said that, I hope that you will join us on Thursday, August 19<sup>th</sup> where will raise two more good men who are seeking to be better.

I look forward to seeing you in lodge.

John Hamblett, Senior Warden

**From the South**

Brethren,

We have all kinds of jobs going on right now to whittle down the Worshipful Master’s honey-do (brothers-do) list. Great job on what’s done but for the ongoing work, while we’re dim, don’t let it wane. Let’s follow through and finish them up and then see how much more we can get done on the list while he’s convalescing. Let’s all keep him in our thoughts and wish him a safe and full recovery.

We also have our Master Mason degree practices this month and I’m looking forward to seeing everyone at our practices. This is a new cast and we need to make sure we know everyone knows their parts and floor-work. As always, thanks for your hard work. Those that haven’t been to lodge, come see our
